YOUR VOTE IS IMPORTANT

You are cordially invited to attend the meeting in person. Whether or not you expect to attend the meeting, please cast your vote as promptly as possible in order to ensure your representation at the meeting. If you are a stockholder of record, you may vote over the internet, by telephone, or by completing, signing and dating the enclosed proxy card and returning it to us using the enclosed envelope. Submitting your vote via the internet or by telephone or proxy card will not affect your right to vote in person if you decide to attend the Annual Meeting. If your shares are held in street name (held for your account by a broker, bank, or other nominee), you will receive instructions from your nominee explaining how to vote your shares, and you will have the option to cast your vote by telephone or over the internet if your voting instructions from your nominee include instructions for doing so. Even if you have voted by proxy, you may still vote in person if you attend the meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

Questions and Answers About these Proxy Materials

Why am I receiving these materials?

We have sent you these proxy materials because the Board of Directors (the “Board”) of ShotSpotter, Inc. (sometimes referred to as the “Company” or “ShotSpotter”) is soliciting your proxy to vote at the 2018 Annual Meeting of Stockholders (the “Annual Meeting”), including at any adjournments or postponements of the meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may cast your vote via the internet, by telephone or by mail as described in more detail below.

We intend to mail these proxy materials on or about April 20, 2018 to all stockholders of record at the close of business on April 13, 2018, the record date for the Annual Meeting.

What is the date, time and place of the Annual Meeting?

The Annual Meeting will be held on Tuesday, May 29, 2018, beginning at 9.30 a.m. local time, at 7677 Gateway Blvd., 2nd Floor, Newark, CA 94560.

How do I attend the Annual Meeting?

Directions to the Annual Meeting may be found at www.edocumentview.com/SSTI. Information on how to vote in person at the Annual Meeting is discussed below.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on April 13, 2018, the record date for the Annual Meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the Annual Meeting. As of the record date, there were 10,331,256 shares of common stock outstanding, all of which are entitled to be voted at the Annual Meeting.

What am I voting on?

At the Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders. There are two matters scheduled for a vote:

- Election of the two Class I directors named herein to hold office until the 2021 annual meeting of stockholders, each to hold office until the 2021 Annual Meeting of Stockholders or until a successor is duly elected and qualified or until the director’s earlier death, resignation or removal (Proposal 1); and
- Ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 2).

You may either vote “FOR” each of the nominees for election to the Board or you may “WITHHOLD” your vote for any nominee you specify. You may either vote “FOR” or “AGAINST” or abstain from voting for the ratification of the appointment of Baker Tilley Virchow Krause, LLP as the Company’s independent registered public accounting firm.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

Stockholder of Record: Shares Registered in Your Name

If on April 13, 2018, your shares were registered directly in your name with ShotSpotter's transfer agent, Computershare Limited, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to cast your vote as soon as possible to ensure your vote is counted.

- **To vote by proxy by internet.** You may access the website of the Company's tabulator, Computershare. Please follow the steps outlined on the proxy card. Your shares will be voted in accordance with your instructions.
- **To vote by proxy by telephone.** You may call 1-800-652-8683 toll-free from the United States, U.S. territories and Canada, and follow the instructions on the proxy card.
- **To vote by proxy by mail.** You may submit your proxy by mail by completing and signing the proxy card and mailing it in the enclosed envelope.
- **To vote in person.** If you attend the Annual Meeting in person, you may vote in person by completing a form of ballot or proxy card that we will provide to you at the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 13, 2018, your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account and you should have received instructions from that organization as to how to do so, including by internet, telephone or mail. You are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

How many votes do I have?

Holders of common stock are entitled to one vote per share on each matter that is submitted to stockholders for approval.

If I am a stockholder of record and I do not vote, or if I otherwise cast my vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by proxy or in person at the Annual Meeting, your shares will not be voted.

If you vote by proxy without marking voting selections, your shares will be voted, as applicable, "FOR" the election of both nominees for Class I director and "FOR" the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December

31, 2018. If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion depending on whether the particular proposal is considered to be a routine matter under applicable rules. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine” under applicable rules but not with respect to “non-routine” matters. Under applicable rules and interpretations, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as elections of directors (even if not contested), mergers, stockholder proposals, executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Proposal 1 is considered to be a “non-routine” matter, but Proposal 2 is considered to be a “routine” matter. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2 even in the absence of your instruction. *If you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.*

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes “FOR,” “WITHHOLD” and broker non-votes; and, with respect to Proposal 2, votes “FOR” and “AGAINST” and abstentions. For Proposal 1, broker non-votes have no effect and will not be counted towards the vote total. For Proposal 2, abstentions will be counted towards the vote total for of Proposal 2, and will have the same effect as “AGAINST” votes.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in street name does not give voting instructions to his or her broker, bank or other securities intermediary holding his or her shares as to how to vote on matters deemed to be “non-routine”, the broker, bank or other such agent cannot vote the shares. These un-voted shares are counted as “broker non-votes.” Proposal 1 is considered to be “non-routine” and we therefore expect broker non-votes to exist in connection with that proposal.

As a reminder, if you a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

Who can attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the Annual Meeting and each may be accompanied by one guest. You will need a form of photo identification to be admitted to the Annual Meeting. Please also note that if you hold your shares in “street name” (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date in order to be admitted to the Annual Meeting. Whether or not you plan to attend the annual meeting, please vote as soon as possible.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of common stock representing a majority of the voting power of the outstanding shares of stock entitled to vote on the record date will constitute a

quorum, permitting the meeting to conduct its business. As of the record date, there were 10,331,256 shares of common stock outstanding, all of which are entitled to be voted at the Annual Meeting. If there is no quorum, the holders of a majority of the shares so represented may adjourn the Annual Meeting without further notice.

What vote is required to approve each item?

For the election of directors, the two nominees receiving the most “FOR” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “FOR” will affect the outcome.

To be approved, ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for year ending December 31, 2018, must receive “FOR” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “AGAINST” vote.

The inspector of election for the Annual Meeting shall determine the number of shares of common stock represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall count and tabulate ballots and votes and determine the results thereof. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum. Broker non-votes will not be counted as votes cast “FOR” or votes “WITHHELD” for the election of directors in Proposal 1. Broker non-votes will be considered in tallying votes cast for Proposal 2, and abstentions will be treated as a vote “AGAINST.” If less than a majority of the combined voting power of the outstanding shares of common stock is represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting from time to time without further notice.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results may be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy with a later date, by internet, telephone or mail.
- You may send a timely written notice that you are revoking your proxy to ShotSpotter’s Corporate Secretary at 7979 Gateway Blvd., Suite 210, Newark, CA 94560.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

Who is paying for this proxy solicitation?

The costs of preparing, assembling and mailing the Notice of Annual Meeting of Stockholders, this proxy statement, the enclosed 2017 Annual Report on Form 10-K, and proxy card, along with the cost of posting the proxy materials on a website, are to be borne by us. In addition to the use of mail, our directors, officers and employees may solicit proxies personally and by telephone, facsimile and other electronic means. They will receive no compensation in addition to their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse these persons for their expenses in so doing.

Are there any rules of conduct governing the Annual Meeting?

The Company expects attendees at the Annual Meeting to adhere to the rules of conduct governing the Annual Meeting that will be distributed at the Annual Meeting.

What proxy materials are available on the internet?

The Letter to Stockholders, Proxy Statement, and 2017 Annual Report on Form 10-K are available at www.edocumentview.com/SSTI.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 21, 2018 to our Corporate Secretary, ShotSpotter, Inc., 7979 Gateway Blvd, Suite 210, Newark, California 94560 and you must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Pursuant to our amended and restated bylaws, if you wish to bring a proposal before the stockholders or nominate a director at the 2019 annual meeting of stockholders, but you are not requesting that your proposal or nomination be included in next year's proxy materials, you must notify our Corporate Secretary, in writing, not later than the close of business on February 28, 2019 nor earlier than the close of business on January 29, 2019. However, if our 2019 annual meeting of stockholders is not held between April 29, 2019 and June 28, 2019, to be timely, notice by the stockholder must be received no earlier than the close of business on the 120th day prior to the 2019 annual meeting of stockholders and not later than the close of business on the later of the 90th day prior to the 2019 annual meeting of stockholders or the 10th day following the day on which public announcement of the date of the 2019 annual meeting of stockholders is first made. You are also advised to review our amended and restated bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Proposal 1
Election of Directors

In accordance with our amended and restated certificate of incorporation, our Board is divided into three classes with staggered three-year terms. Each director serves until the expiration of the term for which such director was elected or appointed, or until such director's earlier death, resignation or removal. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

Our directors are currently divided among the three classes as follows:

- Class I, which consists of William J. Bratton, Gary M. Lauder and Randall Hawks, Jr., whose terms will expire at the upcoming Annual Meeting;
- Class II, which consists of Pascal Levensohn and Thomas T. Groos, whose terms will expire at the annual meeting of stockholders to be held after the end of fiscal 2018; and
- Class III, which consists of Ralph A. Clark and Marc Morial, whose terms will expire at the annual meeting of stockholders to be held after the end of fiscal 2019.

Our Board currently consists of seven members, three of whom are in the class whose term of office expires at the upcoming Annual Meeting. Mr. Lauder has chosen not to stand for re-election at the Annual Meeting. Accordingly, the number of authorized Class I directors will automatically be reduced to two, and the total number of authorized directors will be reduced to six, at the Annual Meeting. We expect that any additional directorships resulting from any future increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one third of the directors. The division of our Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

Mr. Bratton and Mr. Hawks have been nominated to serve as Class I directors. Each of these nominees has agreed to stand for reelection at the meeting. Our management has no reason to believe that any nominee will be unable to serve. If elected at the Annual Meeting, each of these nominees would serve until the 2021 annual meeting of stockholders and until his successor has been duly elected, or if sooner, until the director's death, resignation or removal. It is the Company's policy that directors and nominees for director are expected to attend each annual meeting.

Vote Required

Directors are elected by a plurality of the votes of the holders of shares present at the meeting or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee proposed by us.

The following table sets forth, for the Class I nominees and our other directors who will continue in office after the Annual Meeting, their ages and position/office held with us as of the date of this proxy statement:

Information regarding the Board of Directors and Corporate Governance

Director Independence

Our common stock is listed on the Nasdaq Capital Market. Under Nasdaq listing requirements and rules, a majority of the members of a listed company's board of directors must qualify as "independent", as affirmatively determined by the company's board of directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and the Company, its senior management and its independent auditors, the Board has affirmatively determined that each of the following directors is independent within the meaning of the applicable Nasdaq listing standards: Mr. Bratton, Mr. Groos, Mr. Hawks, Mr. Lauder, Mr. Levensohn and Mr. Morial. In making this determination, our Board considered the current and prior relationships that each non-employee director has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director and the transactions involving them described in "Certain Relationships and Related Party Transactions."

Board Leadership

Our Chair of the Board is currently Pascal Levensohn, an independent director. Currently, our Board believes that it is in the best interests of the Company and our stockholders to have the roles of Chair of the Board and Chief Executive Officer held by different persons. Our Nominating and Corporate Governance Committee periodically considers the leadership structure of our Board, including the separation of the Chair and Chief Executive Officer roles, and makes such recommendations to our Board as our Nominating and Corporate Governance Committee deems appropriate. Our corporate governance guidelines provide that, when the positions of Chair and Chief Executive Officer are held by the same person, the independent directors may designate a "lead independent director."

Role of the Board in Risk Oversight

One of the Board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

Meetings of the Board of Directors

The Board met nine times during 2017. The Audit Committee met three times during the fiscal year ended December 31, 2017. The Compensation Committee met twice during the fiscal year ended December 31, 2017. The Nominating and Corporate Governance Committee did not meet during the fiscal year ended December 31, 2017 as the Company was not a public company until June 2017. The first meeting of the Nominating and Corporate

Governance Committee was held in April 2018. Each director attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

As required under the Nasdaq listing standards, during the period in 2017 when the Company was a public company, the Company's independent directors met five times in regularly scheduled executive sessions at which only independent directors were present.

Communications with our Board of Directors

The Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders or interested parties who wish to communicate with our Board or with an individual director may do so by mail to our Board or the individual director at 7979 Gateway Blvd., Suite 210, Newark, CA 94560, Attn: Corporate Secretary. The communication may indicate that it contains a stockholder or interested party communication. In accordance with our stockholder communications policy, all such communication will be reviewed by the Company's Corporate Secretary, and, if appropriate, will be forwarded to the Board or such director.

Audit Committee

The Audit Committee of the Board was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee the Company's corporate accounting and financing reporting processes and audits of its financial statements. Our Audit Committee consists of three directors, Messrs. Hawks, Levensohn, and Morial.

The principal duties and responsibilities of our Audit Committee include, among other things:

- selecting a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;

- helping to ensure the independence and performance of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent accountants, our interim and year-end operating results;
- developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- reviewing our policies on risk assessment and risk management;
- reviewing related party transactions;
- obtaining and reviewing a report by the independent registered public accounting firm at least annually, that describes our internal quality-control procedures, any material issues with such procedures, and any steps taken to deal with such issues when required by applicable law; and
- approving (or, as permitted, pre-approving) all audit and all permissible non-audit services, other than de minimis non-audit services, to be performed by the independent registered public accounting firm.

The Board adopted a written charter that satisfies applicable Nasdaq listing standards and is available to stockholders on the Company's website at ir.shotspotter.com.

Audit Committee members must satisfy the independence requirements set forth in Nasdaq Rule 5605(c)(2) and Rule 10A-3 under the Exchange Act ("Rule 10A-3"). To be considered to be independent for purposes of Rule 10A-3, a member of an Audit Committee of a listed company may not, other than in his capacity as a member of our Audit Committee, our Board, or any other committee of our Board: (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our Board also determined that Messrs. Hawks, Levensohn, and Morial each satisfy the independence standards for the Audit Committee established by Nasdaq listing standards and Rule 10A-3. The Board has also determined that Mr. Hawks, the Audit Committee chair, and Mr. Levensohn are each an "audit committee financial expert" as defined by Item 407(d) of Regulation S-K under the Securities Act of 1933 (the "Securities Act").

Compensation Committee

Our Compensation Committee consists of three directors, Messrs. Bratton, Hawks and Levensohn. The principal duties and responsibilities of our Compensation Committee include, among other things:

- reviewing and approving, or recommending that our Board approve, the compensation of our executive officers;
- reviewing and recommending to our Board the compensation of our directors;
- reviewing and approving, or recommending that our Board approve, the terms of compensatory arrangements with our executive officers;
- administering our stock and equity incentive plans;

- reviewing and approving, or recommending that our Board approve, incentive compensation and equity plans; and
- reviewing and establishing general policies relating to compensation and benefits of our employees and reviewing our overall compensation philosophy.

The Board adopted a written Compensation Committee charter that satisfies applicable Nasdaq listing standards and is available to stockholders on the Company's website at ir.shotspotter.com.

The Board has determined that Messrs. Bratton, Hawks and Levensohn each satisfy the independence requirements for the Compensation Committee set forth in Nasdaq Rule 5605(d)(2) and Rule 10C-1 promulgated under the Exchange Act, are "non-employee directors" as defined in Rule 16b-3 promulgated under the Exchange Act, or the Exchange Act, and are "outside directors" as that term is defined in Section 162(m) of the Internal Revenue Code of 1986 (the "Code").

Compensation Committee Processes and Procedures

In June 2017, the Compensation Committee retained independent compensation consultants at Deloitte & Touche LLP ("Deloitte") to conduct market research and analysis to assist the Compensation Committee in developing appropriate compensation and incentives for our executive officers and non-employee directors, to advise the Compensation Committee and to provide ongoing recommendations regarding material executive officer and non-employee director compensation decisions, and to review compensation proposals from management. Deloitte reports directly to the Compensation Committee and does not provide any non-compensated-related services to the Company. After review and consultation with Deloitte, the Compensation Committee determined that Deloitte is independent and that there is no conflict of interest resulting from retaining Deloitte. In reaching these conclusions, our Compensation Committee considered factors set forth in SEC and Nasdaq listing rules.

Our executive officers submit proposals to our Board and Compensation Committee regarding our executive and non-employee director compensation. Our Chief Executive Officer provides feedback and recommendations to our Compensation Committee with respect to executive compensation, other than his own compensation, including with regard to senior executive performance, responsibility and experience levels. The Compensation Committee often takes into consideration both our Chief Executive Officer's input and the input of other senior executives in setting compensation levels.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently or has been at any time one of our executive officers or employees. None of our executive officers currently serves, or has served during the last year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board or Compensation Committee.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of three directors, Messrs. Groos, Lauder and Morial. The Nominating and Corporate Governance Committee's responsibilities include, among other things:

- identifying, evaluating and selecting, or recommending that our Board approve, nominees for election to our Board and its committees;
- evaluating the performance of our Board and of individual directors;
- considering and making recommendations to our Board regarding the composition of our Board and its committees;
- reviewing developments in corporate governance practices;

- evaluating the adequacy of our corporate governance practices and reporting;
- developing and making recommendations to our Board regarding corporate governance guidelines and matters; and
- overseeing an annual evaluation of the Board's performance.

The Board adopted a written Nominating and Corporate Governance Committee charter that satisfies applicable Nasdaq listing standards and is available to stockholders on the Company's website at ir.shotspotter.com.

The Board has determined that Messrs. Groos, Lauder and Morial are each independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards).

Nominations to the Board of Directors

With the goal of developing a diverse, experienced and highly qualified Board, the Nominating and Corporate Governance Committee is responsible for developing and recommending to our Board the desired qualifications, expertise and characteristics of members of our Board, including qualifications that the committee believes must be met by a committee-recommended nominee for membership on our Board and specific qualities or skills that the committee believes are necessary for one or more of the members of our Board to possess.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee will periodically review and assess these qualifications from time to time through the development and evaluation of the Company's corporate governance guidelines. Any changes to the Company's corporate governance guidelines proposed by the Nominating and Corporate Governance Committee are submitted to the Board for approval. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee will consider diversity (including diversity of gender, race, ethnicity, age, sexual orientation and gender identity), skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Nominating and Corporate Governance Committee also takes into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it

evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Corporate Secretary, ShotSpotter, Inc., 7979 Gateway Blvd, Suite 210, Newark, California 94560 at least 90 days, but no more than 120 days, prior to the anniversary date of the preceding year's annual meeting. Submissions must include (1) the name, age, business address and residence address of such nominee; (2) the principal occupation or employment of such nominee; (3) the class and number of shares of each class of capital stock of the corporation which are owned of record and beneficially by such nominee; (4) the date or dates on which such shares were acquired and the investment intent of such acquisition; (5) a statement whether such nominee, if elected, intends to tender, promptly following such person's failure to receive the required vote for election or re-election at the next meeting at which such person would face election or re-election, an irrevocable resignation effective upon acceptance of such resignation by the Board; and (6) such other information concerning such nominee as would be required to be disclosed in a proxy statement soliciting proxies for the election of such nominee as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named as a nominee and to serving as a director if elected).

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. Our code of business conduct and ethics is available on our website at ir.shotspotter.com. We intend to disclose any amendments to the code, or any waivers of its requirements, on our website to the extent required by the applicable rules and exchange requirements. Security Ownership of Certain Beneficial Owners and Management

The following table sets forth the beneficial ownership of our common stock as of March 31, 2018, for:

- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock;
- each of our named executive officers (as such term is defined in “Executive and Director Compensation - Summary Compensation Table” below);
- each of our directors; and
- all of our executive officers and directors as a group.

The percentage ownership information shown in the table is based upon 10,329,846 shares of common stock outstanding as of March 31, 2018.

These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of common stock that may be issuable pursuant to outstanding restricted stock units (“RSUs”), or that may be issuable pursuant to the exercise of stock options or warrants that are either immediately exercisable or exercisable on or before May 30, 2018, which is 60 days after March 31, 2018. These shares are deemed to be outstanding and beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.

As an emerging growth company, we have opted to comply with the reduced executive compensation disclosure rules applicable to “smaller reporting companies,” as such term is defined in the rules promulgated under the Securities Act, which require compensation disclosure for only our principal executive officer and the two most highly compensated executive officers other than our principal executive officer. Throughout this document, these three officers are referred to as our “named executive officers.”

Non-Employee Director Compensation Policy

In August 2017, our Board adopted a policy for the compensation of our non-employee directors (the “Non-Employee Director Compensation Policy”). Under the Non-Employee Director Compensation Policy, each non-employee director receives an annual board service retainer of \$31,250. The chair of our Board, our Audit Committee, our Compensation Committee and our Nominating and Corporate Governance Committee receive additional annual chair service retainers of \$10,000, \$15,000, \$10,000 and \$7,500, respectively. We also reimburse all reasonable out-of-pocket expenses incurred by non-employee directors in attending meeting of our Board or any committee thereof.

In addition to cash compensation, under the Non-Employee Director Compensation Policy, each non-employee director is eligible to receive RSU awards pursuant our 2017 Equity Incentive Plan (the “2017 Plan”). Each non-employee director in office as of the IPO received an RSU (an “Initial Award”) on August 10, 2017 with an aggregate value totaling \$93,750. Each non-employee director appointed after the adoption of the Non-Employee Director Compensation Policy is eligible to receive an Initial Award with an aggregate value of \$93,750 that is prorated for his or her days of service in the year of appointment. On the date of each annual meeting of stockholders, each non-employee director in office immediately following such annual meeting will be eligible to receive an RSU award (an “Annual Award”), an aggregate fair market value totaling \$93,750, except that the chair of the Board is entitled to receive an Annual Award with additional fair market value of \$50,000. However, if the chair of the Board is also the chair of any committee, the dollar value of the Initial Award or Annual Award shall be reduced by any cash compensation received as a result of such director’s chair role.

Each Initial Award will vest on the earlier of (i) June 6, 2018 and (ii) the date of the Company’s first annual meeting of stockholders. Each Annual Award will vest on the earlier of (i) the first anniversary of the date of grant and (ii) the date of the next annual meeting of stockholders following the grant date provided that such director is providing service to the Company as a member of the Board as of such date. In addition, the vesting of all RSUs granted under the Non-Employee Director Compensation Policy will accelerate in full upon a Change in Control (as defined in the 2017 Plan) or immediately prior to the effectiveness of a non-employee director’s resignation or removal (and contingent upon the effectiveness of a Change in Control) in the event that the non-employee director is required to resign his or her position as a non-employee director as a condition of the Change in Control or the non-employee director is removed from his or her position as a non-employee director in connection with the Change in Control. All awards made pursuant to the Non-Employee Director Compensation Policy are subject to the limitations on compensation payable to non-employee directors set forth in the 2017 Plan.

- (2) These plans consist of our 2005 Equity Incentive Plan, 2017 Equity Incentive Plan and 2017 Employee Stock Participation Plan. No further grants were made under the 2005 Equity Incentive Plan after the effectiveness of our 2017 Equity Incentive Plan in 2017 in connection with our initial public offering. Does not include purchase rights accruing under the 2017 Employee Stock Purchase Plan because the purchase price (and therefore the number of shares to be purchased) will not be determined until the end of the applicable purchase period.
- (3) The number of shares of common stock reserved for issuance under the 2017 Equity Incentive Plan will automatically increase on January 1 of each year, beginning on January 1, 2018 and continuing through and including January 1, 2027, by 5% of the total number of shares of our capital stock outstanding on December 31 of the preceding calendar year, or a lesser number of shares determined by our Board. Pursuant to the terms of the 2017 Employee Stock Purchase Plan, an additional 150,000 shares were added to the number of available shares effective January 1, 2018.

Certain Relationships and Related Party Transactions

We had no transactions that have occurred since January 1, 2017 and to which we were a party, in which the amount involved exceeded \$120,000, and in which any of our directors, executive officers or holders of more than 5% of our capital stock, of an affiliate or immediate family member thereof, has or will have a direct or indirect material interest, other than those already described in this proxy statement under the heading “Executive and Director Compensation.”

Related-Person Transactions Policy and Procedures

In connection with our initial public offering in 2017, we adopted a Related Person Transaction Policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a related-person transaction is a transaction, arrangement or relationship or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involves exceeds \$120,000. Transactions involving compensation for services provided to the Company as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related-person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related-person transaction prior to consummation, our management must present information regarding the related-person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The

presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we will collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related-person transactions and to effectuate the terms of the policy.

In addition, under our Code of Business Conduct and Ethics, our employees and directors have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest.

In considering related person transactions, our Audit Committee, or other independent body of our Board, will take into account the relevant available facts and circumstances including, but not limited to:

- whether the related-person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances; and
- the risks, costs and benefits to us; the extent of the related party's interest in the transaction.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our audit committee or other independent body of our Board, determines in the good faith exercise of its discretion.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single set of Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are ShotSpotter stockholders will be "householding" the Company's proxy materials. A single set of Annual Meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate set of Annual Meeting materials, please notify your broker or ShotSpotter. Direct your written request to ShotSpotter, Inc., Attn Corporate Secretary, 7979 Gateway Blvd, Suite 210, Newark CA 94560, or contact us at 1-510-794-3100.

Stockholders who currently receive multiple copies of the Annual Meeting materials at their addresses and would like to request "householding" of their communications should contact their brokers.
